Cristo di Campobello Adenzia Bianco 2013

A 50-50 blend of Grillo and Insolia, the 2013 Sicilia Adenzia is a confident and straight-shooting white wine with fresh and tonic appeal. Mineral notes are wrapped around subdued tones of peach and honeydew melon. Bright endnotes include citrus and lime. This simpatico Sicilian blend would pair against steamed mussels in white wine sauce, garlic and parsley. Drink 2014-2016.

To meet Carmelo Bonetta is to never forget him. This dynamic producer brings an unmatched level of enthusiasm and charm to Sicilian wine. He is a relative newcomer to the Sicilian wine scene, but is destined to last long
