

CHAMPAGNE

Bonnet - Ponson

1862

**Non-Dosé Brut
Premier Crus**

Made from wines blended from 35 vine plots over the villages of Chamery, Vrigny and Coulommès-la-Montagne, in the western part of the Montagne de Reims. On the nose, white fruits and citrus mingle with toasted bread and nutty aromas. The mid-palate shows a nice volume with grapefruit fruitiness. The finish leads to a long mineral sensation with a touch of spiciness.

Absolutely bone-dry, it's a refreshing aperitive or pair with seafood: shellfish, sushis or tuna ceviche
