**Tenuta Buon Tempo
Brunello di Montalcino Alta 2010**

The 2010 Brunello di Montalcino Alta sees 24 months of tonneaux, with 50% new wood. That added oak component gives the wine a dark, brooding personality and thicker concentration. Ultimately the bouquet is cleaner in the Alta expression (compared to the base Brunello) and the dried fruit tones of dark berry and cassis have more resonance. Spicy notes of Spanish cedar and cinnamon fill in the rear.

February 2015, Monica Lerner.
