Stuhlmuller Vineyards 2015 Chardonnay

"The 2015 Chardonnay Estate exudes pronounced pineapple, guava and baked apricot notes with suggestions of candied ginger, brioche and butterscotch. Medium-bodied with a very sexy satiny texture, it has bold, ripe tropical fruit and spice flavors, off-set by plenty of freshness and finishing with great length. This is great value for a wine with this level of expression and depth! 6,200 cases were made."
