

**A PORT WITH
TRADITION**

CLÁ is a sub group of people that share the same interests and respect the same heritage within a common ritual (“clan” in English). The atmosphere painted on the bottle expresses a group of friends who are passionate about Port.

“With a strong red color and dark orange hints, this wine presents an intense and mature red fruit aroma, with vanilla and balsamic notes. It shows some volume in mouth, smoothness and good fresh flavors, specially from the red and black jammy fruits. The finish is long and very elegant.”

Francisco Montenegro and
Pedro Pina Cabral, winemakers.

Ready to drink now or cellar indefinitely.
Decanting recommended.
