J. Bookwater

Conflict Conner-Lee Vineyard 2012

In the same ballpark quality-wise as the Protagonist release, with probably a longer drink window, the 2012 Conner Lee Vineyard Conflict is made from 63% Cabernet Sauvignon, 32% Merlot and 5% Syrah. Finishing malo in barrel and aged 20 months in 70% new French oak, it has classic plum, black raspberry, chocolate, lead pencil and spice-laced aromatics. This give way to a full-bodied, nicely concentrated, gorgeously pure 2012 that still has oak to integrate, yet will have over a decade of longevity.
