

J. Bookwater

NOTEBOOK 8 NV

The eighth Notebook wine is a delicious, fruit-driven blend of several traditional red varieties that flourish in our hot, dry climate. Aromatically rich and delicious to quaff, this is an easy drinking dry wine that drink well above its price and category. There's heaps of red fruits like black cherries, plums, red currants and figs wrapped with resin, caramel, cedar and hints of fresh and dried herbs. Succulent smooth fruit begins, with flavors of baker's chocolate, pomegranate, toast, dried herbs, tobacco and cola finish. The combination of long-aged powerful Cabernet and fresh, fruity, young Merlot fill this affordable wine.

Blend: 80% Merlot, 10% Cabernet Sauvignon and 10% Syrah.
