Twenty Bench Cabernet Sauvignon

By sourcing from several vineyard sites in the Napa Valley, we are able to produce a wine that showcases the classic elements of ripe fruit, suppleness, texture and balance that one expects to find in world class Cabernet Sauvignon.

Twenty Bench Chardonnay

While many great Napa Valley Chardonnays are special occasion wines due to their lofty price tags we have taken up the challenge to create our Chardonnay to reflect all of the lauded Napa Valley flavors, texture and finish while being priced for everyday enjoyment.

Parcel 41 Cabernet Sauvignon

Cabernet Sauvignon grapes are the kings of Napa Valley and the wines are often quite expensive. Our goal with Parcel 41 is to make Napa Valley wines that are supple and elegant, yet still have the structure, depth and richness you find in more expensive offerings.

Rock & Vine Cabernet Sauvignon

By sourcing from three distinctive ranches in California's North Coast appellation, we are able to blend Cabernet Sauvignon with small amounts of other reds to create a stylistic wine expressive of the terroir. An added dimension of power, depth and intensity not normally found in wines of this price makes it great for by-the-glass pours.

Parcel 41 Merlot

Merlot grapes are typically more difficult to grow than Cabernet Sauvignon, which is why the best Merlots are often more expensive. Therefore our mission with Parcel 41 is to making a Merlot that is supple and elegant, yet still has the structure, depth and richness you find in more costly offerings.

Rock & Vine Chardonnay

Our Chardonnay displays quintessential crisp flavors of Asian pear, apple and wildflower honey and finishes with flavors of creamy vanilla and caramel that over-delivers at its price which makes it ideal for by-the-glass programs.

Parcel 41 Sauvignon Blanc

We source our fruit for our Sauvignon Blanc from Napa's cooler sub-appellations where silty and deep soils lie in a proverbial climatic sweet spot: cool in the mornings with Bay breezes and temperate evenings produce grapes with vibrant aromatics and citrusy freshness.

Hullabaloo Zinfandel

Our fruit for our Lodi Zinfandel comes from old vine vineyards 60 to 120 years of age. The wine has the typical jammy fruit character but also delivers pepper spice with silky tannins and great balance and is priced for by-the-glass pours and retailers alike.

Chasing Lions Cabernet Sauvignon

California is renowned for the depth and richness of its Cabernet Sauvignon. Chasing Lions is a perfect example; dense and medium-bodied with beautiful elegance, texture and equilibrium that showcases the complex terroir of the diverse growing regions.

Seven Sinners Petite Sirah

We source our old vine Petite Sirah grapes from Lodi for the purest fruit filled with both density and intensity. Velvety textures upfront are followed by deep, rich flavors of blackberry jam, blueberry and spice with a long and concentrated finish. It's a big mouthful of old vine elegance.
