GRENACHE

■ **THE WINE** The grapes come from 15-year-old vines cultivated in the Languedoc-Roussillon on acidic soils with shingles in the valleys. "Gobelet" pruning method is used. *Vinification:* The grapes were fermented in small units at low temperature, in order to preserve their fruit, and aged in stainless steel tanks during 10 months.

■ **TASTING NOTES** This wine has a beautiful pink shining colour, sharp and limpid, very bright aspect. It displays notes of red fruits (strawberries, raspberries, grenadine and goose berries). Our Grenache Rose is very fresh and easy to drink with a round, rich and long aftertaste.

■ **FOOD & WINE** It's a wine of all seasons, perfect with food : grills, red meat, pizza, and cheeses. Serve chilled.
