*J. Bookwater*

**Protagonist 2012**

Made with 91% Cabernet Sauvignon and 9% Syrah, this wine offers notes of dark coffee, bittersweet chocolate, barrel spices and cherry. It's supple in feel, dense yet reserved, showing a lot of elegance and restraint to the coffee flavors along with a very pretty sense of balance. Its best years are in front of it. Drink from 2022 to 2030.
