

## **ROCK & VINE**

### **Chardonnay**

"We made this Chardonnay for those who prefer less oak and more fruit so it makes the perfect end-of-the-day glass. Or get fancy and serve it with a cheese plate with honey-drizzled chevre and a hard-rind nutty sheep's milk cheese, with fig paste, candied nuts, and slices of fresh apple."

Chrs Nickolopoulos and Elijah Pfister,  
négociants.
