

*Bela*

**Selección de Fincas 2016**

Produced from selected grapes manually harvested from our own vineyards. Vinification is in stainless steel tanks, followed by 6 months in American and French new and one-year old oak barrels.

We have classified the 2016 vintage as very good. A typically cold winter was followed by a very hot and dry spring, ending with rain that brought on a summer of cool nights . Harvest was thankfully uneventful, yielding healthy fruit with marked color and floral aromas.
