

CVNE - Selección de Fincas 2016 - Ribera del Duero.

Selección de Fincas is our take on a delicate Ribera.

We brand it as CVNE, reflecting its vinous and philosophical heritage.

Fruit is estate grown, although in future we will consider buying grapes from village farmers.

Vinification is identical to Bela. The objective however is to produce a lighter, fresher style.

ABV: 14 %

Total acidity: 4,59 g/l

Volatile acidity: 0,46

pH: 3,80
