POINTS

## Terroir Hunter Cabernet Sauvignon 2014

“Pirque is one of the highest spots in the Andean Maipo and the best wines grown there tend to be elegant, with delicate herbal notes to their fruit. This one is firm and austere, but give it time, and oxygen helps to draw out its sense of place. Minty aromas and earth tones give way to complex notes of black pepper, herbs and cassis. Great to decant now for game, this will gain in grace with some years in the bottle.”
