---

“JULES IS ONE OF NEW ZEALAND’S  
MODERN PIONEERS.”

## THE AWARDS

Gourmet Traveller Magazine is Australia’s premier food & wine mag and has been running this award in Australia for 24 years.

This is the only award of its kind in New Zealand and the fourth time it has been awarded here.

Jules is the only Marlborough Winemaker to receive this accolade.

Judging is done by a panel of NZ wine experts across, retail, on premise and media, and is based on quality across the full range of wines, recent innovations and achievements, and contributions back to the industry through leadership and mentoring.
