

Domaine de la Métairie d'Alon

Chardonnay

Intense nose boasting a great deal of complexity: white peach, ripe lemon, fresh banana, followed by notes of pastry (lemon tart, barley sugar) and a floral touch. Discrete woody notes (hazelnut, dried banana). Very well balanced and complex on the palate with lovely harmony between sensations of roundness, freshness and vivacity. Remarkable length.

Serve fresh (50°F) as an apéritif, with starters such as salads or asparagus, or grilled or baked fish. Delicious with goat cheese or Comté.
