

ROCK & VINE

Cabernet Sauvignon

"In 2007, we found incredible Cabernet Sauvignon, Merlot and Malbec coming from three different vineyards in Northern California and Rock & Vine was born. We've kept the tradition alive since then; sourcing juice from three distinct properties. For this vintage, the Cab came from Paso Robles and the Merlot and Malbec from vineyards in the Central Coast. Enjoy this with your grandma's lasagna, grilled sausages and Caesar salad."
