

PIERRE QUI ROULE\*  
\*[ROLLING STONE]

### **Pinot Noir 2018**

This intensely colored Pinot Noir has scents of blackberries mixed with floral notes coupled with wood and vanilla. It is complex and rich on the palate with jammy flavors of blackberries, currants and cherries. The tannins are plump and well-integrated and, unlike many other Pinot Noirs, it's not dominated by heaviness or over-ripeness. Enjoy it with charcuterie, white meats and light cheeses.
